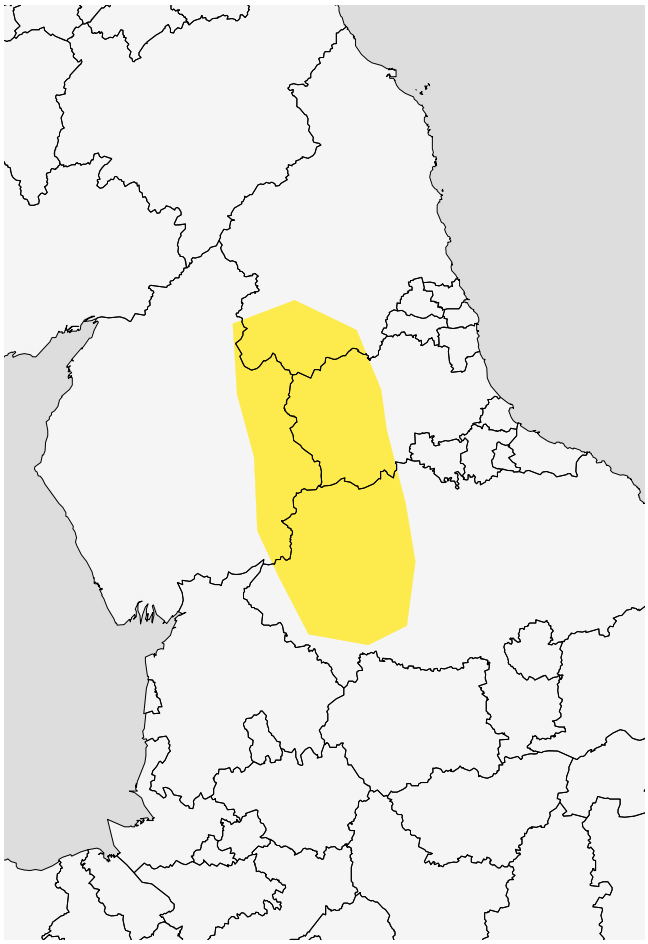
Yellow warning
Wind

Between
11:00 Mon 30 Dec 2024 and
18:00 Mon 30 Dec 2024



Strong winds may lead to some disruption.

What to expect

- Some short term loss of power and other services is possible
- Probably some bus and train services affected, with some journeys taking longer
- Some delays to road and rail transport are likely
- Delays for high-sided vehicles on exposed routes likely

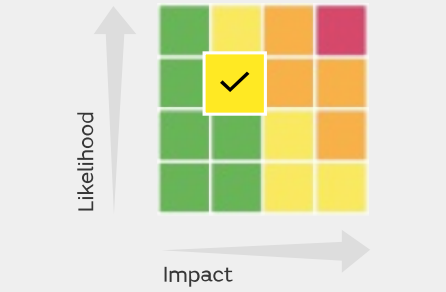
Further details

Westerly winds will be strong and gust at times. Gusts of 50-60mph are possible over high ground.

What should I do?

Give yourself the best chance of avoiding delays by checking road conditions if driving, or bus and train timetables, amending your travel plans if necessary.

People cope better with power cuts when they have prepared for them in advance.



Medium likelihood of low impacts
